

This Information Bulletin briefly explains some of the requirements when applying to extend the trading hours or licensed area of a liquor licence on an ongoing basis as per the *Liquor Control Act 1988* (the Act). To be read in conjunction with the Extended Trading Policies available at www.rgl.wa.gov.au/ExtendedTrading.

PURPOSE

An Extended Trading Permit (ETP) application of this nature is used where the licensee wishes to extend their predetermined trading hours or licensed area on an ongoing basis. This application is designed to allow a licensee to trade in your usual manner for longer or in an area not usually considered part of your licensed area.

TYPES OF ETP APPLICATIONS

There are eight permanent ETP application types:

- Alfresco Dining
- Associations
- Dining Area
- Lodgers/Residential accommodation
- Ongoing Hours
- Sell Liquor Without a Meal (Unrestricted)
- Sell Liquor Without a Meal (Restricted)
- Cellar Door Premises
- Catering

Alfresco Dining

This permit type is used for licensees who wish to provide liquor to patrons seated in an alfresco area adjacent to the licensed premises. Freehold owner consent will be required to consider this application.

Associations

This permit type is used to authorise the licensee of a club (not including club restricted) or special facility licence to sell liquor for consumption on a specified part of the premises to a separate group of persons with a common interest in the use of the premises. For clubs it must be included in the constitution that they allow associations to use a part of their licensed premises.

Catering

This permit type authorises the licensee to sell liquor on days other than Good Friday on the days and hours specified by the licensing authority, as a caterer on specified premises approved by the licensing authority. When this permit has effect the specified premises will be deemed to be licensed premises forming part of the licensed premises under the licence to which the permit relates. Please refer to the separate application kit.

Dining Area

This permit type is used to authorise the sale of liquor ancillary to a meal in a specified dining area for hotel, nightclub and producer's licences only.

Lodgers/Residential Accommodation

This permit type is used to authorise a restaurant licensee to sell and supply liquor at any time to a lodger who is residing in the residential accommodation operated by the licensee and located at the restaurant premises.

Ongoing Hours

This permit type is used to increase the existing trading hours on the liquor licence. This application requires a public interest submission to be submitted with the application. However, in respect of the public interest submission where a licensee is seeking a further extended trading permit with the same extended hours and other conditions, a brief submission addressing why the permit will cater for the requirement of consumers is all that is required.

Sell Liquor Without a Meal (Unrestricted)

This permit type authorises the licensee to sell liquor via table service for consumption on the premises whether or not ancillary to a meal. This application requires a public interest submission to be submitted with the application. However, in respect of the public interest submission where a licensee is seeking a further extended trading permit with the same conditions, a brief submission addressing why the permit will cater for the requirement of consumers is all that is required.

Sell Liquor Without Meal (Restricted to 120 persons)

This application is designed for small restaurants where the total number of persons permitted on the venue (including

staff) at any one time does not exceed 120. Please refer to the separate application kit.

Cellar Door Premises

This permit authorises the holder of a producer's licence to sell their liquor product on specified premises on which the licensee would not otherwise be authorised. Please refer to the separate application kit.

Please ensure that all documentation is provided with your application to avoid delays. To assist with this please complete the checklist below and submit with your application. Applications may be returned to the applicant or their solicitor/consultant if the application is incomplete.

FOOTNOTES

¹ Where an application is for a function or event that takes place over a number of consecutive dates, the fee will be based upon the total maximum number of persons expected to be present in the licensed/permit area at any one time over the consecutive dates. For example: if a function or event runs for 2 days and the maximum number of persons expected to be present in the licensed/permit area at any one time is 300, then the fee will be calculated on an attendance of 600 people in total and will be \$226.

² In addition to the application fee, new applicants in respect of protection orders and permanent liquor licences (i.e. grant or transfer applications, with the exception of a club or club restricted licence) will pay an additional \$148.00 fee for each individual in a position of authority (including each director and shareholder of a company and adult trust beneficiary or unit holder).

³ In addition to the application fee, new applicants in respect of profit sharing agreements or arrangements will pay an additional \$148.00 fee for each individual who is party to the agreement or arrangement and in relation to whom a background check is sought from the Police Service.

⁴ In addition to the application fee, in respect of a body corporate seeking to be approved as a shareholder in the licensee company after the licence is granted, an additional \$148.00 fee applies for each individual to whom a background check is sought from the Police Service (including each director and shareholder and adult trust beneficiary or unit holder related to that body corporate) other than for the first individual, which will be captured by the application fee.

⁵ Annual licence fees for newly granted licences are charged on a quarterly pro-rata basis as follows:
