

Licence Checklist

ONE-OFF ETP'S OR ADD/VARY'S

This checklist is a risk assessment tool that can help your premises become and remain compliant with the liquor laws. It is a valuable tool to have and we encourage you to use it regularly to ensure you are complying with the *Liquor Control Act 1988*, *Liquor Control Regulations 1989* and your liquor licence.

This checklist addresses important legislative requirements such as signage and documents, supervision and management, training, responsible service of liquor and juveniles.

The Department has a range of free resource material available, please visit our website at www.rgl.wa.gov.au or contact our office on (08) 6551 4888.

The following checklist has been based on observed problems within licensed premises, and is an initiative to rectify some common issues observed within licensed premises.

It is important to note, that the checklist is not exhaustive and that this does not replace enforcement.
